**UNITED STATES TRUSTEE'S POSITION AS TO  
APPOINTMENT OF PATIENT CARE OMBUDSMAN**

*TO THE HONORABLE COURT:*

Donald F. Walton, the United States Trustee for Region 21, through his undersigned counsel, respectfully states and prays as follows:

1. The debtor filed a voluntary petition, on May 10, 2010, in which it indicated that the nature of its business is a health care business (dkt. # 1).
2. On May 11, 2010, the debtor filed an informative motion stating that its business was “providing clinical, laboratory and pathology services to hospitals, laboratories and veterinary clinics” and that “due to the nature of the Debtor’s business an ombudsman is not necessary.” (Dkt. # 5).
3. The United States Trustee understands that the debtor is a reference laboratory and does not consider the debtor to be a “health care business” as that term is defined in section 101(27A) of the Bankruptcy Code.

4. In view of the foregoing, the United States Trustee understands that the appointment of a patient care ombudsman is neither appropriate nor necessary and that the debtor should amend its bankruptcy petition to eliminate its self-designation as a health care business.

**WHEREFORE**, the United States Trustee respectfully requests that the Court take note of the foregoing and enter such relief as is appropriate and deemed necessary.
